

RAPTOR

TOUGH AND TINTABLE
PROTECTIVE COATING

7 REASONS TO CHOOSE RAPTOR

CUSTOMISABLE

May be tinted using automotive basecoat to match any colour. Available in black and tintable versions.

DURABLE

Provides tough mechanical damage and stain resistant surface. Protects against rust, corrosion and extreme temperatures.

UV RESISTANT

Delivers the highest level of fade protection.

WATERPROOF

Provides a water tight seal, keeping moisture out and eliminating the chance for rust.

SOUND DEADENER

Very high flexibility. Reduces noise and vibrations. High coverage up to 12 m² per kit.

RESISTANT

Resistant against fuels, hydraulic oils, animal urine, salt water and more.

QUICK & EASY TO USE

Easy as Fill-Shake-Shoot. Dries quickly. Can be applied with excellent adhesion across many substrates including metal, concrete, timber, plastic, vinyl and fibreglass. Can be applied with: Schultz Gun, HVLP Gun, roller or brush. Easy to clean.

FILL-SHAKE-SHOOT[®] TECHNOLOGY

Add hardener to level “a” (250ml 3:1 ratio).
For the tintable version, add tint to level “b” (no more than 10%).

Shake for two minutes.
For the tintable version, check the colour after mixing.

Attach to Shultz Gun and Spray!
